

The Stewpot

The Stewpot is a monthly stewardship publication produced by the Pacific Union Conference Stewardship Department under the direction of Gordon Botting. It is sent to subscribers by e-mailed pdf file, or mailed hard copy if necessary. It is intended for use as a once-a-month bulletin insert for the church congregation. Subscribers are conferences (for distribution to their pastors or churches) and individuals or single churches. Currently ***the Stewpot*** goes to 90% of the conferences in the U.S. and Canada.

Stewardship is a total life-style and ***the Stewpot*** topics are directed to one or more of these areas: health, time, talents, environment, relationships, spirituality, and finances.

The cost of a year's subscription to ***the Stewpot*** is \$120 for a Conference and \$30 for an individual or a single church. Subscription is by the year—if you begin your subscription after January's issue, the amount will be prorated. Your check payment can be sent to Pacific Union Conference, ATTN: Stewpot, P O Box 5005, Westlake Village, CA 91359.

Besides the English version, ***the Stewpot*** is also available as a separate subscription in Spanish and French. Back issues of ***the Stewpot*** are available at a cost of \$2.50 each.
